

Are You Depriving Yourself?

The Bible must always be at the heart of our preaching, teaching, and living. If the scriptures do not guide us, we are settling for second best. No human wisdom or document can compare in the least with the word of God. Psalm 119:105 says, *"Thy word is a lamp unto my feet, and a light unto my path."*

Woodrow Wilson said, "We have deprived ourselves of the best there is in the world if we deprive ourselves of a knowledge of the Bible." There is no comparison: the Bible is the best guide and Christian's life is the best guided. Do not be deprived of the Bible's rich blessings. Read it daily. Study it often.
