

In Christ We Have

1. A love that can never be fathomed.
2. A glory that can never be clouded.
3. A life that can never die.
4. A happiness that can never be interrupted.
5. A peace that can never be understood.
6. A light that can never be extinguished.
7. A rest that can never be disturbed.
8. A strength that can never be overcome.
9. A joy that can never be diminished.
10. A beauty that can never be marred.
11. A hope that can never be disappointed.
12. A purity that can never be defiled.

A person can go to Heaven without health, wealth, fame, education, culture, or beauty. But they cannot go to Heaven without Christ (John 14:6).
