

The Spread Of Islam

A lot of us have seen the YouTube video showing Muslim demographics in Europe. If these predictions are correct, Europe will be predominantly Muslim in just a few short decades. Americans are also fearful of the declining influence of biblical values and the growing influence of Islam in our country.

However, God promises that no matter how gloomy the outlook, we (and more importantly, His cause) will be victorious. Revelation assures us of this spiritual victory. Even though John saw "*a beast rise up out of the sea*" representing the cruel and vicious Roman Empire (Revelation 13:1), he later saw "*a white horse; and he that sat upon him was called Faithful and True*" (Revelation 19:11). Fear not, for God and His people will be triumphant!
